

Because finding the right equipment should be easy

Avobus Equipment, LLC is your partner for medical equipment procurement, management and biomedical servicing.

We provide tailored equipment purchase, rental and biomedical servicing options for single office to 200+ multi-site health systems. Financing for larger purchases is available through our finance department as well as AFG, our financing partner.

Whether you are opening a new location, upgrading or maintaining your current inventory, we work with you to provide tailored services to keep you focused on providing the best care possible.

Our Purpose – Optimal Solutions for Healthcare Providers

Our Niche – To provide medical solutions that create value for our healthcare partners.

Here's what we do:

- ☐ Provide the highest quality medical equipment for purchase, rental and service contracts.
- ☐ Simplify materials management across the organization.
- ☐ Decrease costs through volume and standardization.
- ☐ Provide insight into equipment lifecycle.
- ☐ Capital equipment planning organization wide.

The reasons people choose to partner with us:

- ☐ Our knowledgeable staff stands behind our products and services.
- ☐ We provide organization wide insights into clinical engineering and supply chain operations.
- ☐ Our processes enhance Clinical Engineering and Material Management departments.
